Dear Valued Patient,

Thank you for choosing Magnolia OB-GYN, LLC of Myrtle Beach for your medical needs. This letter is to inform you and your family of certain upcoming changes at Magnolia OB-GYN, which is currently owned and operated by Magnolia OB-GYN, LLC of Myrtle Beach.

Beginning March 1, 2025, Magnolia OB-GYN, LLC of Myrtle Beach shall cease to operate the Magnolia OB-GYN practice and, instead, McLeod Physician Associates II (MPA), an affiliate of McLeod Health, (together, hereinafter known as McLeod), will take over the operations of this practice. Tracy Nelson, M.D., Karyn C. Markley, M.D. and Jessica Brown, M.D. will become employees of McLeod starting on March 1, 2025 and will continue to provide care to our patients (including you) on and after that date. We will continue to do so at our present office site, which is located at 170 Village Center Boulevard, Myrtle Beach, South Carolina 29579. Any appointment you may have made with one of our physicians on or after March 1, 2025 will remain as scheduled and no action is needed on your part. We are excited to partner with McLeod to help ensure that your women's health needs are met for years to come.

Additionally, as of March 1, 2025, title to your medical records will transfer from Magnolia OB-GYN, LLC of Myrtle Beach to McLeod to allow for continuity of care. There will be certain changes in billing and insurance filings for professional services you receive from McLeod beginning March 1, 2025. You can expect that we will need to update your demographic and insurance information at this time. Your understanding and patience during this transition is appreciated.

If you have any questions or concerns about the transfer of care from Magnolia OB/GYN to McLeod, please feel free to call us at **(843) 449-5848**.

Thank you for the privilege of serving your healthcare needs. We are honored to be able to continue to do so going forward.

Sincerely,

Tracy Nelson
